DRAGOMIR
KAPITANSKI
COMPUTER TECHNITION

Greetings, everyone! I'm Dragomir Kapitanski, a 19-year-old college student residing in Sofia, Bulgaria. My academic journey revolves around the realm of computer knowledge, and I proudly hold a degree as a computer technician. The world of computers captivates me, and I find great fulfillment in assisting others with their tech-related queries. Let's embark on this technological adventure together! 🚀💻
